Good afternoon -

Attached please find the DFAR for the 2012 Democratic National Convention Committee. The Committee has until February 16, 2015 to respond to the DFAR, but if the Committee decides to respond sooner and lets me know that there will be no further response, I will start immediately on processing the Audit Recommendation Memorandum to the Commission.

Judy, in the interest of mailing the report out now, I did not hold the report for your response, and no paper copy has been sent to you. If you would like a paper copy, please send me your address and I will have it mailed to you.

If you have any questions, please do not hesitate to contact me.

Thanks,
